A fun and flexible alternative to your school or community production...

What is the Nimble Arts Choosical?

The Nimble Arts Choosical is a fun and flexible alternative to your school, college or community group's production. It can be created and performed by any number of participants in any space. From first ideas through to curtain call, Choosicals are devised, written, scored and performed by participants using whatever ideas and stories they come up with...no idea is too crazy for a Nimble Arts Choosical! With a host of professional musicians, choreographers, actors, set and costume designers on hand, organisations can build their Choosical package from scratch. We have included some example prices below, but if you would like to talk more about how the Choosical could work for your organisation just get in touch!

Our aims...

Nimble Arts can produce an improvised Choosical in as little as a day. Or we can design a package for you over a longer period of time.

Whatever the time scale, we always set out to achieve the same three aims:

- To produce a professional and original production
- To fully engage every participant in learning new skills
- To put participant's ideas at the heart of the creative process

How it works...

It's up to you! Just tell us what you want to achieve, how much time you have, and the budget you have to work with.

What parents say...

'It's really good - they do absolutely loads and it's very creative and fun'

- EAST DULWICH FORUM

Prices

Prices start from £150/day for one facilitator and we would recommend two facilitators. Guest Leaders can be booked for £200/day or in shorter sessions. Our team includes professional choreographers, actors, song-writers, set and costume designers. We can also arrange for the performance to be filmed and edited.

Sample Package

The most successful Choosicals happen when we collaborate with and utilise the skills of school or community group staff. Participants can then work in teams focusing on an area of production that they are most interested in. For a full scale Choosical, we recommend at least a week plus two introductory workshops and script/score production day.

Workshops	Duration	Team	Cost
Assembly and Story-Generating Day ON SITE	6 hours	Drama Facilitator and Music Facilitator	£300
Song-Writing Day ON SITE	6 hours	Drama Facilitator and Music Facilitator	£300
